 Do you wish to speak at the hearing? No

Written  
 Testimony

I strongly support funding for the restoration of Kanewai Spring and strongly oppose the amendment proposed by Ozawa not to fund this project. Please Mr. Ozawa, listen to both sides, not just to the few neighbors that are complaining. To restore the Spring is a responsibility, a kuleana and you should respect the groups that is volunteering their time and energy to exercise their rights of kuleana, something the Council should know.
